

## Product Technical Data Sheet

### Top Notch Alkaline Deep Cleaner

ULTRA  
Concentrate

TW2018

Tidal Wave's **Top Notch Alkaline Deep Cleaner** is an alkaline presoak designed for use in all touchless, full-service, exterior, tunnel, automatic and hybrid car and truck washes. Featuring the latest advanced surfactants, it will remove the toughest road film and rinse away clean. This free-rinsing formula provides excellent brush and cloth lubrication.

**Top Notch** works in any car or truck wash application, but is generally applied through a foaming nozzle mixed with compressed air to generate maximum foam. It is compatible with all prep guns, CTA's, foam sticks, K sticks, foam heads and foam nozzles in all washes.
