

Product Technical Data Sheet

Touch Free Max **ULTRA** Concentrate

TW2003D

Tidal Wave's Touch Free Max is a super concentrate, free-rinsing alkaline presoak with a tendency for high foam-generation for customer appeal. This product provides excellent brush and cloth lubrication and features a fresh pine scent.

Touch Free Max can be used in any car wash system and is usually applied through a foam-generator with compressed air for maximum show and contact time. **Touch Free Max** is compatible with all prep guns, CTA's, foam sticks, K stick, foam heads and foam nozzles in all washes.
